7. General Information about Donation Partner Arrangements

TOMRA Reverse Vending Machines (RVM) operating in QLD can feature up to four potential donation partners for users (consumers returning containers) to choose from – as well as offering electronic cash transfer and voucher options.

- There are two types of donation partners including:
 - Major donation partner: state-wide or international not-for-profit organisation who will appear as a donation partner on Reverse Vending Machines across all Queensland, and;
 - Local donation partner: local, not-for-profit organisation who will appear as a donation partner on reverse vending machine(s) in their local town, suburb, municipality or similar region.
- Donation partners will be rotated on a regular basis – usually on a three-monthly basis but as may be agreed with donation partners from time to time. Local donation partners may be rotated more frequently (for example to align with local drives, awareness raising activities, school visits or other events).
- Completed application forms will be acknowledged soon after receipt. Respondents will be advised of the success or otherwise of their request within 30 days, and generally before one month prior to the commencement of the next cycle of donation partners. Our donation partner intake is ongoing and we welcome applications at any time. TOMRA reserves the right to exercise a cut off for considering eligibility assessments for any three-month cycle up to one calendar month before that cycle commences in order to finalise relevant evaluations, contracts and operational considerations. Any requests received subsequently will be considered for the following donation partner cycle.
- TOMRA has a standard form of legal agreement which donation partners are expected to sign. This legal agreement sets out relevant requirements and expectations including the duration and location of the organisation's presence as a donation partner. The agreement outlines TOMRA's payment and reporting obligations to donation partners, as well as giving TOMRA permission to collect donations (and where appropriate, issue tax deductible receipts) on behalf of the donation partner.

8. Supporting Documents Checklist

When submitting your completed eligibility assessment form by e-mail, please be sure to also attach (as PDF files) the **documents that are relevant to your organisation**:

- Evidence of your registration as a Charity / Not-for-profit organisation in Queensland.
- Evidence of your DGR Status
- Your Awareness and Promotion Plan
